STEP UP AUDIO PIECES BEING BROADCAST NATIONALLY EVERYDAY

Ocean Youth presenters have been recording from home their thoughts and feelings about how it feels to take that big leap into secondary school. The presenters have done an incredible job, especially when all the recordings have been made from their home. From top tips and poems to six part comedy dramas, we have been able to bring a massive variety of vital audio pieces to help all year sixes nationally thanks to it being broadcast on Fun Kids and other community radio stations across the UK. The Step Up audio pieces have already started being broadcast everyday on Fun Kids at (7:40/8:40/3:40/4:40). But don't worry we're archiving each broadcast on Spreaker just in case you miss them. We are even going live on BBC Devon to talk about with daisy and Lexi on Thursday 16th July at 11.10am.

WE WON! 🏆

If you haven't already heard the news from our social media platforms. Let us tell you the great news now. Early this year Ocean Youth entered the young Audio Awards 2020, we entered in for 'achievement within the community award'. As a national competition, we had some big competitors. But our talent and amazing work shone through, and we won!! None of this would've been possible without the hard work and great broadcasting that our young people and Ocean presenters do, as well as the continued support from parents and carers. We're immensely thankful and proud of the work we do. Hopefully we'll be able to use this newsletter to update everybody on the exciting things we have done or that are coming up!

OCEAN YOUTH'S RADIO BUS SUMMER TOUR

We've got some more exciting news to share. Finally after 7 years, we have an audio bus. So keep your eyes peeled because we're going on tour. We'll be traveling around Torbay coming to a street near you this August! Creating remote podcasts, radio shows, DJ sets and much more. So look out for the words 'Ocean Together' and be a part of our tour!

NEWLY REFURBISHED PREMISES RE-OPENING THIS SUMMER 🏠

We've really missed having all of you in the studio, or working with us on a workshop. But thankfully we'll be seeing you soon, but it won't be in the library. It will be in our newly refurbished premises. There's been a few changes like; a new very big state of the art broadcasting studio, a new recording room and, we've got some amazing new presenters joining the Ocean Youth family. It's all new, new, new, apart from us - the staff. We're still here, and we cannot wait to see all of you this summer when the studio opens!! If we don't see you soon, we hope you have a really good summer and we will definitely see you in September.

WE NEED YOUR HELP!

Ocean Youth needs your help! As you already know we now own an audio bus, but it needs an extremely cool name. Especially because it will be traveling all around Torbay in August and hitting the roads for Paignton Carnival. Currently it's called the audio bus, but we know how creative the Ocean Youth team are, and we would love the bus to be named by one of our young people. Any ideas are welcome. So if you have a great name in mind drop kate an email(Kate@soundcommunities.co.uk).
